Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. The inner room of a tobacconist's shop is not perhaps the spot which a writer of fiction would naturally choose as the theatre of his play, nor does the inventor of pleasant romances, of stirring incident, or moving love-tales feel himself instinctively inclined to turn to Munich as to the city of his dreams. On the other hand, it is by no means certain that, if the choice of a stage for our performance were offered to the most contented among us, we should be satisfied to speak our parts and go through our actor's business upon the boards of this world. Some would prefer to take their properties, their player's crowns and robes, their aspiring expressions and their finely expressed aspirations before the audience of a larger planet; others, perhaps the majority, would choose, with more humility as well as with more common sense, the shadowy scenery, the softer footlights and the less exigent public of a modest asteroid, beyond the reach of our earthly haste, of our noisy and unclean high-roads to honour, of our furious chariot races round the goals of fame, and, especially, beyond the reach of competition.
