Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

Little, Brown Book Group, United Kingdom, 2016. Paperback. Condition: New. Peter Bailey (illustrator). Language: English. Brand new Book. 'Joan Aiken's invention seemed inexhaustible, her high spirits a blessing, her sheer storytelling zest a phenomenon. She was a literary treasure, and her books will continue to delight for many years to come' PHILLIP PULLMAN 'Favourite stories, like unexpected presents, are things that you can keep and cherish all your life, carry with you, in memory, in your mind's ear, and bring out, at any time, when you are feeling lonely, or need cheering up, or, like friends, just because you are fond of them.' Joan Aiken is justly famous for her Wolves of Willoughby Chase series, but her greatest love was for short stories, which she wrote prolifically throughout her long career From a princess turned into a pirate parrot to a procession of Father Christmases chased down Fifth Avenue by a rickety horse and cart; from the ghost of a crusader's dog, to a captured mermaid in a flying machine, there is something for everybody in this enthralling collection. These stories showcase Aiken's unique talents - the way she mixed magic and myth with humour to create a kind of modern fairytale. Her stories will appeal to readers of all ages for many years to come. WITH BEAUTIFUL ILLUSTRATIONS BY PETER BAILEY.
